Detailed Reviewer's Report

This research paper tries to analyze and highlight the contribution of the design and implementation of actions in local history and geography to the educational and pedagogical process and practice of integration and inclusion of students with disabilities. In this paper the Abstract is not written in a detailed format in which all things have not been mentioned properly. However, the keywords are given properly. In the introduction part, the researcher has made link of introduction with the title and has given a detailed background effectively with the citations given properly. But the research gap has not been given by the researcher. In addition to this, the Methodology is not given in a proper way. Also, research questions or objectives are not given properly. Also, Results are not given properly and they are not given with statistical proofs. Also, there are no educational implications, limitations and further suggestions given in this manuscript. Thus, this paper is accepted only after these minor changes suggested above are corrected.

Reason for Minor Changes

In this manuscript the Abstract is not written properly with all important things such as sample, method, findings etc. In the introduction part, research questions or objectives are not given properly. In addition to this, the Methodology is **not given in this manuscript**. Also, research questions or objectives are not given. **Also**, Results are **not** given properly and they are **not** given with statistical proofs. In addition to this, Researcher has not given discussion on results in detail and has not made comparisons. **Also**, there are no educational implications, limitations and further suggestions given in this manuscript. Thus, this paper is accepted **only** after these minor changes suggested above **are corrected**.

Abstract

In this paper the Abstract is not written in a detailed format in which all things such as sample, method, findings etc. have not been mentioned properly. However, the keywords are given properly
