Detailed Reviewer's Report

- Figures require improved resolution and formatting.
- Figure captions should be more descriptive.
- Tables should be reformatted for readability and consistency.
- Citation formatting is inconsistent.
- Reference style should strictly follow journal guidelines.
- Define all abbreviations at first appearance.
- Improve consistency of units and symbols.
- Check spacing issues throughout the manuscript.
- Enhance figure quality and labeling.
- Add a nomenclature table if possible.
- Carefully proofread for formatting inconsistencies.
