Detailed Reviewer's Report

- The English language requires careful proofreading throughout the manuscript.
- Several headings appear oversized and inconsistent in formatting.
- Figures should include proper numbering, captions, and source citations.
- Some tables require units and formatting improvements.
- Abbreviations should be defined at their first occurrence.
- Reference formatting should follow IJAR guidelines consistently.
- Recent publications from 2024–2025 should be cited in a standardized format.
- The manuscript contains several grammatical inconsistencies and spacing errors.
