Detailed Reviewer's Report

This research paper examines the factors influencing college students' intention to use generative AI based English language learning applications. In this manuscript the Abstract is written in a detailed format in which all things have been mentioned properly such as title, methods, sample, results, etc., also, the keywords are properly given. In the introduction part, the researcher has tried to make link of introduction with the title effectively. Also, the citations are given properly. The review of related literature is also given in this manuscript. The Methodology is also given and the research questions or objectives are mentioned in this manuscript properly. Results are given properly and some important graphs and diagrams are given but the discussion is not given properly and comparison of results with the findings of previous researches was not made in this manuscript. Also, the educational implications, limitations are not given in this manuscript. Thus, this paper is accepted only after correcting these minor changes.

Reason for Minor changes

In this manuscript, Discussion section is not given. Also, there is no comparison of findings with the findings of previous researches. Also, the educational implications, limitations and further suggestions are not given in this manuscript. Thus, this paper is accepted only after these minor changes.

Abstract

In this manuscript, Abstract is given properly. The Abstract must be written in a detailed format in all research papers, in which all things such as sample, method, findings etc. should be mentioned properly. Here this condition is satisfied. Also, the keywords are given in this manuscript properly.
