Reviewer's Comment for Publication.

The document 'EFFECTIVENESS OF GOVERNMENT WELFARE SCHEMES AMONG RURAL PEOPLE' is unique topic.

Recommendation : Accept as it is.

Detailed Reviewer's Report

- 1. Originality** – This study evaluates the **effectiveness, accessibility, awareness, and challenges** associated with various Indian government welfare schemes among rural populations.
- 2. Structure and Clarity** – The manuscript is generally well-structured with sections such as Introduction, Results, and Conclusion. However, transitions between sections can be improved, and paragraph alignment should be checked for consistency.
- 3. Strengths** – The highest perceived benefit was improved access to **employment, skills, or income opportunities** (Mean score: 4.17/5). The most significant challenge identified was that welfare schemes are **not always accessible to the most vulnerable rural households** (Mean score: 2.43/5).

REVIEWER'S REPORT

4. **Significance** – While government welfare schemes have successfully enhanced skill development, employment, and financial delivery for rural residents in Ramanathapuram, local authorities still need to take targeted steps to ensure vulnerable and marginalized groups are adequately reached.
