Detailed Reviewer's Report

- Use consistent terminology for reclaimed, recycled, and reused lateritic gravel.
- Define KSK, CBR, PI, OPM, and PK at first use.
- Ensure Tables 2–4 clearly distinguish the proportions of road material and KSK material.
- Use consistent units and formatting for density (g/cm^3), moisture content, CBR, and sieve size.
- Improve readability of Figures 1–8, particularly axes, legends, sampling locations, and grading-envelope labels.
- Proofread grammar, punctuation, and sentence construction throughout the manuscript.
- Complete and standardize references [4] and [5], which appear to lack full bibliographic details.
- Ensure the AGEROUTE catalogue requirement and test standards are cited precisely and consistently.
